

## FACTSHEET

# IN THE GARDEN OF DANDELIONS

Escape everyday life and get into the flow: The app »In the Garden of Dandelions« takes you on a journey into a world full of magic, wishes and dreams.

What if people didn't know how to make wishes?

In the Valley of Windmills, the Perfect Machines ensure a content life. But can a perfect life also be happy? Help Anna discover the hidden power of the heart's desires.

Experience the story of Anna, the seamstress, and bring back hope and wishes to the Valley of Windmills by flying and collecting as many dandelions as you can.

## STORY

In the Valley of Windmills, the residents have forgotten how to wish, as they possess machines that lead them to believe in perfect moments at the press of a button. Only Anna, the seamstress, has kept her ability to dream. And so she firmly believes that she can fulfil a giant's heart's desire: he wants to fly! But how do you help someone to float weightlessly like a feather?

Anna remembers a time when people still wished - and sets off to fulfil the wish of the Birdman...

## HIGHLIGHTS

- Heartwarming, cinematic story about the power of dreams and wishes
- Based on the picture book bestseller illustrated by Valeria Docampo
- Relaxing flow effect due to an easy gameplay that becomes more challenging over time
